To Our New Patients:

**Welcome to our healthcare family!**

When I say “our”, I consider each of us a vital part of your healthcare team. This includes my nurse Linda, My Physician Assistant Jeff, my Dermatology Physician Assistant Julie, my Nurse Practitioner Kim, my receptionist Jody, my aestheticians Courtney and Danielle, my medical assistant Kim, and my financial specialists Peggy, Mindy, and Suzanne.

We all work as a team to make this the best possible experience you will have in a healthcare facility! Our goal is for you to achieve your optimum health and to enjoy the benefits of wellness. Healthcare is a partnership - we invite you to share your needs so we may provide the tools you need to succeed!

Enclosed you will find a copy of our Office Information and Policies and several forms to complete if you asked us to mail them to you. You have the option of downloading your registration paperwork online from our [DrRohde.com](http://DrRohde.com) web site noted above. Please bring your completed forms, any insurance information, old health history, and all of your medications (including over the counter and any health supplements and vitamins) you are presently taking along to your first appointment. All of these will help us understand your present health condition and provide better care for you.

Should you have questions, please call us and ask – we will be glad to assist you.

Thank you for placing your trust in our Wellness Center!

Sincerely,

Thomas W. Rohde, M.D.
