To Our New Patients:

**Welcome to our wellness family!**

I say “our” because I consider each of us a vital part of your wellness experience. My medical care team consists of my Dermatology Physician Assistant Julie, my Physician Assistant Jeff, my Nurse Practitioner Kim, and my nurse Linda assisted by medical assistants Kim and Kerry. An outstanding office staff includes receptionists Jody and Ashley, and my financial specialists Peggy, Mindy, and Suzanne to support us. Courtney, Lea, and Danielle, my aestheticians, would love to de-stress and rejuvenate you in our state of the art medical spa.

We all work as a team to make this the best possible experience you will have in a healthcare facility! Our goal is for you to achieve your optimum health and to enjoy the benefits of wellness. Healthcare is a partnership - we invite you to share your needs so we may provide the tools you need to succeed!

Enclosed you will find a copy of our Office Information and Policies and several forms to complete if you asked us to mail them to you. You have the option of downloading your registration paperwork online from our DrRohde.com web site noted above. Please bring your completed forms, any insurance information, prior health history, and all of your medications (including over the counter and any health supplements and vitamins) you are presently taking along to your first appointment. All of these will help us understand your present health condition and provide better care for you.

Should you have questions, please call us and ask – we will be glad to assist you.

Thank you for placing your trust in our Wellness Center!

Sincerely,

Thomas W. Rohde, M.D.
